1. Health and Safety Section 1596.8662 includes subsections that on or before March 30, 2018, a person who, on January 1, 2018, is a licensed child care provider, administrator, or employee of a licensed child day care facility shall complete the mandated reporter training provided pursuant to paragraphs (2) and (3) of subdivision (a), and shall complete renewal mandated reporter training every two years following the date on which he or she completed the initial mandated reporter training. On and after January 1, 2018, a person who becomes an administrator or employee of a licensed child day care facility shall complete the mandated reporter training provided pursuant to paragraphs (2) and (3) of subdivision (a) within the first 90 days that he or she is employed at the facility and shall complete renewal mandated reporter training every two years following the date on which he or she completed the initial mandated reporter training. Citations issued in this section included one or more subsections.
2. Health and Safety Section 1597.622 includes subsections that require a person shall not be employed or volunteer at a family day care home if he or she has not been immunized against influenza, pertussis, and measles; the requirement for annual influenza immunization between August 1 and December 1 of each year, specifies the conditions in which a person may be exempt, and the requirement for documentation of required immunizations or exemption be contained in the person's personnel record maintained by the family day care home. Citations issued in this section included one or more of these subsections.
